Setting up of Industries in 'No Industry Districts' of Orissa

1777. SHRI JAGADISH JANI: Will the Minister of INDUSTRY be pleased to state:

(a) wheher Government have recently taken some steps to set up industries in the 'No Industry Districts' of Orissa;

(b) if so, what are the details in this regard; and

(c) how many industries have so far been set up in the 'No Industry Districts' of Orissa;

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT (SHRI M. ARUNACHALAM): (a) and (b) Industrialsation of specific districts is primarily the responsibility of the State Governments concerned. However, the Central Government supplements their efforts by providing various incentives/concessions for encouraging entrepreneurs to set up their units in the identified backward areas/No Industry Districts. The details of concessions/incentives admissible to entrepreneurs for setting up industries in No Industry Districts are given in the booklet "Incentives for Industries in backward areas (Central Government and Central Financial Institutions) "April 1984" read with the Ministry's Press Note No. 14/2/83—DBA. I dated 9-4-85. copies of which are available in Parliament Library.

A sum of Rs. 5.21 crores has been disbursed to the entrepreneurs for setting up industries in Orissa during the years 1984-85 to 1986-87 (upto July) as per the details given below:—

1984-85 ..... 2.58 crores
1985-86 ..... 1.70 crores
1986-87.....0.93 crores
up to July)

Under the Central assistance for Development of Infrastructure in 'No Industry Districts' a sum of Rs. 2 crores has been released to the Government of Orissa for development of growth centres at Balasore, Manmunda and Bolangir in the No Industry Districts of Balasore, Phulbani and Bolangir respectively.

(c) During the years 1983 to 1986 (upto May) a total number of 25 letters of intent and 5 indusrial licences and 39 DGTD Registrations

from 1983 to 1985 have been issued for setting up industries in the No Industry Districts of Orissa.

Electricity Charges from Consumers of Delhi

1778. SHRIMATI RENUKA CHOWDHURY: Will the Minister of ENERGY be pleased to state:

(a) whether it is fact that the electricity charges from the consumers of Delhi are recovered by three different agencies like DESU, NDMC (in their area) and MES in the Cantonment;

(b) whether NDMC and MES are paying DESU the actual charge of the electricity consumed in their areas;

(c) whether it is also a fact that in many of the houses in Cantonment area no occupants are cooking on electric stove; and

(d) whether DESU is undertaking any study on the actual consumption of electricity in NDMC and Cantonment areas and the payment being received by them so as to see the quantum of electricity stolen from DESU grid?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER AND MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRIMATI SUSHILA ROHATGI): (a) to (d) The information is being collected and will be laid on the Table of the House.

1779. [*Transferred to the 8th August*, 1986.]

Telecom. Training Centre with the Help of UNDP Aid

1780. SHRI BIR BHADRA PRATAP SINGH: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether Government have sanctioned an advanced level telecom-training centre to be set up in Lucknow with UNDP aid;

(b) if so, what are the details thereof;

(c) what is the total project cost and how much amount Government will contribute and w hat are the provisions made for it in the Seventh Five Year Plan;

(d) what is the nature of UNDP aid and how much cash amount UNDP will provide; and

(e) how is this training centre going to be different from the advanced telecom training centres in existence in India at present?

THE MINISTER OF STATE OF THE MINISTY OF COMMUNICATIONS (SHRI RAM NIWAS MIRDHA): (a) Yes, Sir.

(b) With little assistance of UNDP all the 12 Regional Telecom Training Centres and TTC, Jabalpur are proposed to be upgraded during the 7th Plan. Of these, 5 will be designated Zonal Telecom Training Centres (ZTTCs). These ZTTCs shall provide training to officer cadre also in th the new technologies and shall be the support centre for other training centres in their zone. One of the ZTTCs will be located at Lucknow.

(c) The total cost of the project for RTTC, Lucknow is approx. Rs. 12 crores from Government of India contribution. UNDP contribution is separate and comparatively very small. Land has already been purchased. Provisions have been made for building, equipment (Indigeneous as well as imported), Training Aids, printing and documentation facilities, course development facilities etc., in the Seventh Five Year Plan.

(d) The total UNDP assistance is about 2.5 million US dollar for all training centres which will be in terms of training fellowship, foreign experts for conduction of courses/ seminars and training equipments/ aids. The UNDP contribution for RTTC, Lucknow will be of the order of 0.25 million US dollar (Approx. Rs. 3 lakhs).
